MND SLIME RUN

A massive shout out to our parent community for the support given to this fund raiser. The community raised just over \$14000 in sponsorship and another \$4190 through the sale of beanies and socks.

The Slime Run was SOOOO much fun with huge smiles on everyone's faces.

I would love to see many school faces on Sunday 2nd June at the Paradise Valley Hotel, Clematis as I descend the slide into the ice pool. I can't wait!!!!!!

STAFFING NEWS

Of late there have been a significant number of staff who have been quite ill and their classes were unable to be covered by replacement teachers because they were unavailable. To ensure that students' learning could continue, classes were split according to the students' different ability levels. This enabled everyone to join the teaching groups in the other grades, therefore, ensuring that their learning was uninterrupted.

LIGHTNING PREMIERSHIP

On Wednesday 12th June 2024, our senior students will travel to Worrell Reserve and compete in an interschool competition against our EDEC friends in netball, football and volleyball. We wish all of our students the best of luck and have our fingers crossed that the weather will be kind!!!

I hope that you have survived the freezing overnight weather conditions which signalled that winter is here. Fortunately, we were rewarded by beautiful days until the change of weather conditions yesterday.

Monday 10th June 2024 is a designated public holiday, the King's Birthday. If you are planning to travel away to warmer places over the long weekend travel safely and enjoy the break.

Over the weekend, teachers will be catching their breath because all midsemester reports will have been completed and submitted to me for reading.

Kind Regards
Darrelyn

LONG WEEKEND

MND SLIME RUN FUNDRAISER

Firstly, I just want to say a huge Thank-you for inviting me along and having me as part of your day yesterday. Your school community is a credit to all of your team, and I was blown away by the level of engagement you have from teachers, parents and kids. That is rare. 😊

The day, and the level of support your team have provided to FightMND literally brought me to tears...but, it is also what keeps my passion for the cause up. Thanks so much again, you amazing humans!

Kind regards
Matt.

REMINDERS

Check uEducateUs regularly for information

We are having a Ramingining fundraiser event on Tuesday 4th June 2024. This will be a hot chip day where your child will receive a bucket of chips to enjoy through the day in their classroom.

The money raised will support the continuation of the Ramingining program and the delegation reciprocal visit later this year.

The cost will be \$5 per bucket and will be available to pay through QKR, over the phone or cash at the office with the cut-off date for payment and consent being midnight Sunday 2nd of June 2024.

SCHOOL NEWS

Victorian High Abilities Program (VHAP)

Virtual School Victoria is delivering the Victorian High-Ability Program (VHAP) to high-ability students in Years 5-8.

VHAP consists of nine and ten week online courses in Mathematics and English for both Primary and Secondary levels. Students engage in synchronous Webex classes with their teachers.

Jasper Gilbert and Avery Kelly have been identified for their high achievement in numeracy.

BREAKFAST CLUB

Thank you, Ferguson, Entwistle and Willison families for your GENEROUS donations to breaky club. Students can fill their tummies ready for a great start to their learning day.

SPARE CLOTHES

If anyone has any spare pants, leggings or shorts they no longer need we would love if you considered donating them to sick bay. This helps us when someone has an 'accident' or, falls in the mud that they can get changed and resume their learning.
